Kaiser Permanente’s Participation in Health First Colorado and the Child Health Plan Plus

**Enrollment**

NEARLY 44,000

Kaiser Permanente members are enrolled in Health First Colorado (Medicaid), and the Child Health Plan Plus program (CHP+) in Colorado.

Membership is composed of:

- **47.2%** CHILDREN
- **46.4%** ADULTS
- **6.4%** SENIORS and PERSONS with DISABILITIES

*Data is current as of December 2019.

**Participation**

Kaiser Permanente participates in Health First Colorado in 10 counties, specifically in the Denver and Boulder metropolitan area.

Kaiser Permanente contracts with Regional Accountable Entities as a fee-for-service provider in the Denver and Boulder metropolitan area and contracts with regional organizations to provide care management services.

In addition, Kaiser Permanente contracts directly with the state to provide care and coverage for CHP+ members in 7 counties—concentrated in the Denver and Boulder metropolitan areas—on a capitated basis (meaning a fixed payment per member, per month).
Quality

Kaiser Permanente Health First Colorado performs in the National Committee for Quality Assurance (NCQA®) 90th percentile or above** for the following measures:

- Cervical Cancer Screening
- Blood Pressure Control
- Diabetes: A1C Screening
- Diabetes: Kidney Monitoring
- Diabetes: Blood Pressure Control
- Timely Prenatal Visits
- Timely Postnatal Visits

These metrics are based on NCQA’s Healthcare Effectiveness Data and Information Set (HEDIS), a tool used by more than 90% of America’s health plans to measure performance on important dimensions of care and service.

Telehealth

Kaiser Permanente is a leader in virtual care. Across Kaiser Permanente’s Medicaid footprint, we have seen, on average, almost a three-fold increase in virtual visits since COVID-19.

**Measures reflect Kaiser Permanente Health First Colorado performance among all Medicaid plans nationally in 2018.
