and PERSONS  
with DISABILITIES

\*Data is current as of June 2020.

### Participation

Kaiser Permanente currently participates in Oregon Health Plan in 6 counties, mainly concentrated in the Portland metro area.

To provide care and coverage in Oregon, Kaiser Permanente contracts with Health Share of Oregon in the Portland metro area and with PacificSource in Marion and Polk counties, on a capitated basis (meaning a fixed payment per member, per month). Kaiser Permanente also participates as a fee-for-service primary care provider under PacificSource in Lane County and contracts as a dental provider for Health Share of Oregon members in the Portland metropolitan area.

## Quality

Kaiser Permanente performs in the National Committee for Quality Assurance (NCQA®) 90th percentile or above\*\* for the following measures:

- Cervical Cancer Screening
- BP Control
- Timely Postnatal Visits
- Diabetes: Screen for A1C Control
- Diabetes: Kidney Monitoring
- Diabetes: BP Control
- Timely Prenatal Visits

These metrics are based on NCQA's Healthcare Effectiveness Data and Information Set (HEDIS), a tool used by more than 90% of America's health plans to measure performance on important dimensions of care and service.

## Telehealth

Kaiser Permanente is a leader in virtual care. Due to COVID-19 and the need to limit transmission of the virus, the usage of telehealth services has increased. Within the Northwest Medicaid population, which is mostly Oregon residents, the combined usage of scheduled telephone visits and video visits has increased over two-fold. In May 2020, Medicaid members in Northwest had approximately 10,000 virtual visits compared to approximately 4,000 virtual visits in January 2020, prior to COVID-19.

\*\*Measures reflect Kaiser Permanente Oregon Health Plan performance among all Medicaid plans nationally in 2018.
